

Call For Papers

Journal of Finance and Data Science Conference 2023

August 8 – 9, 2023

Beijing, China

The first annual Journal of Finance and Data Science Conference (JFDS2023) will be held on **August 8-9, 2023** in Beijing, China. The conference is jointly organized and sponsored by the Cheung Kong Graduate School of Business (CKGSB) and Tsinghua University PBC School of Finance (Tsinghua PBCSF).

The topics of interest for this conference include, but are not limited to:

- The Rise of FinTech and Its Implications for Traditional Financial Institutions
- Issues Related to the Introduction of Central Bank Digital Currencies (CBDCs)
- Blockchain and DeFi
- Machine Learning in FinTech
- FinTech in Chinese Financial Markets
- NFT and Metaverse

Best Paper Awards

There will be a prize for the Best Paper.

Paper Submissions

The deadline for submission is **Thursday, May 25, 2023**. For paper submission (in PDF format) please visit: <https://cn.ckgsb.com/JFDS/PaperSubmission.aspx>

All submissions will be reviewed by a program committee of renowned international scholars, chaired by Huining Cao of Cheung Kong Graduate School of Business. Authors of accepted papers will be notified around June 15, 2023.

The conference will provide hotel accommodations for selected paper presenters, paper discussants, and session moderators for up to 2 days.

Conference paper submitters are encouraged to also submit to the *Journal of Finance and Data Science*-Special Issue on Fintech Research and Chinese Financial Markets; submitting to both is not required. For more information on submitting your papers to JFDS-SI, visit the following link:

<https://www.sciencedirect.com/journal/the-journal-of-finance-and-data-science>

Conference Organizing Committee

- Huining Cao, CKGSB
- Erica X.N. Li, CKGSB
- Xiaoyan Zhang, Tsinghua University
- Hao Zhou, Southern University of Science & Technology; Tsinghua University
- Ke Tang, Tsinghua University
- Jingzhi Huang, Penn State University, The Journal of Finance and Data Science

Organization

The conference is scheduled to take place in Beijing. The conference will have a workshop format to allow for extensive discussion and feedback. Accordingly, only a small number of papers will be accepted for presentation. On-site participation is by invitation only, online attending will be arranged through XUESHUO Platform.
